IT IS HEREBY STIPULATED by and between Assistant United States Attorney Philip A. Talbert, counsel for Plaintiff, and Assistant Federal Defender Jeffrey L. Staniels, counsel for Defendant CARLOS HONABLE that the status conference regarding the petition alleging violations of Supervised Release now set for December 15, 2006, at 10:00 a.m., be vacated and recalendared for January 12, 2007, at 10:00 a.m.

This continuance is sought to permit the government to complete its investigation whether additional charges are warranted by certain

aspects of this situation and the completion of discussions between counsel about possible resolution of the matter.

The court is advised that counsel have conferred; that they believe this continuance is reasonably likely to promote resolution of the charged violations, and that they agree that the Speedy Trial Act is not implicated by this request for a continuance, since these proceedings involve allegations of violation of a term of supervised release.
